## **Eagle's Landing Country Club Is South Atlanta's Premier Private Country Club!**

The legendary golf course designer Tom Fazio has fashioned an unparalleled 27-holes that is sculpted from 3,000 acres of breathtaking forest, streams, and farmland. The design embraces many trademark elevation changes making it one of the most memorable golfing experiences in the state.

Located just 20 minutes from Hartsfield-Jackson International Airport, and just 30 minutes from downtown Atlanta, Eagle's Landing offers a remarkably advantageous location.

Eagle's Landing has a proud history of creating superior golf experiences. We've honed our skills by hosting major professional sporting events like the LPGA Tour with Nancy Lopez for over 15 years. This type of knowledge and streamlined efficiency can turn your golf outing into something very memorable and satisfying.

I invite you to come and take a tour of our clubhouse and golf course to see for yourself what a perfect location Eagle's Landing Country Club would be for your next golf outing. I would be happy to meet with you to answer any questions you might have.

The entire staff here at Eagle's Landing looks forward to helping you create and host the best possible golf experience for you and your event. Feel free to contact me directly at 770.389.2000 x143 or [john.mccracken@ourclub.com](mailto:john.mccracken@ourclub.com)
