

U.S.G.A. RULES GOVERN ALL PLAY  
EXCEPT WHERE MODIFIED BY LOCAL RULES

1. Cart Paths - Played as Obstructions:

a.) If a ball enters the cart path and “bounces,” it is “rub of the green” and shall be played from the position where it stops bouncing. If a ball enters or is on the path and it commences to roll, there are two different situations:

- 1.) If a ball enters or is on the path, and commences rolling more than one club length downhill it MUST be returned to a point one club length from where it began to roll. Relief can be taken from that point. Drop area is provided on #15 hole. Drop must be taken two club lengths from drop area sign.
- 2.) If a ball enters or is on the path and rolls uphill you MUST take the farthest advance of the ball inbounds. Relief can be taken from that point. In determining the nearest point of relief under the above situations, the ball is always deemed to be at rest in the middle of the path.

2. All lakes shall be played as lateral water hazards.

3. Play from island on #17 prohibited.

4. Embedded ball rule is in effect “through the green.”

5. Flower beds must be treated as an abnormal ground condition. Please take full relief in accordance with rule 25-1.

6. **Smooth traps, replace divots, repair ball marks.**

7. **Keep up with the group in front of you.**

8. **A ball in any woodchip area must be played as it lies.**

*Courtesy of Play*

*An undelayed round is an important tradition at the club. Whenever a group shall, for any reason, fall more than one clear hole behind the players ahead, it is expected to invite the following group through.*

*In the absence of such an invitation, the following group shall go through upon request. Four hours is sufficient time for the 4-ball group to finish 18 holes.*
